

# CAMPAIGN RULES

The above terms are applicable to the History to Victory promotion and form an addendum to the terms and conditions stated in the Client Agreement.

Clients should ensure they have read and understood all Terms and Conditions applicable to their account.

## HISTORY TO VICTORY

**Min 300\$ No Deposit Welcome Money** Turn your Lost Trade History into the Victory

Based on their trading history new clients can earn a minimum of \$300 with No Deposit Welcome Money.

- Traders can get the benefit from only one campaign at the same time.
- Traders can get the benefit of the campaigns on only one account. Their other accounts will not get benefits.
- Traders are eligible to receive differentiated campaigns according to their level of experience.
- Those who meet all the criteria will have their withdrawal transferred to their account within 2 weeks from the date of approval of their request. Delays may occur due to high demand for the campaign.
- The analyzes provided by GraphaneFx private investment consultants and forex experts are conclusive and not investment advice. There is no liability, and hence, binding savings in transactions are essential for the investor himself/herself.
- Traders who refer a minimum of 3 friends to the campaign will receive 10% off Welcome Money for each of their friends upon completion of their ID and Phone verification. If the recommended friends make their first deposit, the trader will receive Graphene Money at a rate of 40% of each deposit.
- If the investors within the scope of the campaign have a profit, they can only withdraw 100% of the welcome money amount. GraphaneFx's minimum withdrawal rules require them to make a deposit at least as the welcome money amount in order to withdraw their profit.

The trader will receive welcome money amount in their account approximately in 5 business days

- Traders are eligible to receive differentiated campaigns according to their level of experience in the forex market.
- After ID and number verification, he/she will be asked to submit his/her trade history and open trades for portfolio analysis. Traders must provide their trade history with a minimum of 20 lot trades. If it is required traders must provide a Guest password for

our expert to make a detailed portfolio analysis. Regardless of the broker, they are entitled to free portfolio analysis. Private investment consultants will be contacted to share the results of their analysis and to mentor them in the following transactions.

- The account analysis report to be prepared by experts must be presented by the Consultants.
