4. Trading Restrictions & Fair Use Policy

4.1. The Forex Cashback Bonus is designed to reward active traders. Any abuse, manipulation, or misuse of the program will result in disqualification.

4.2. Prohibited trading strategies include, but are not limited to:

- Internal account arbitrage (trading between multiple accounts held by the same trader).
- Latency arbitrage, scalping for rebate exploitation, or excessive hedging across multiple accounts.
- Using automated strategies solely designed to trigger cashback rewards without real market risk exposure.

4.3. If zForex detects suspicious trading activity, the company reserves the right to:

- Cancel or revoke the cashback payments.
- Suspend the trader's participation in the cashback program.
- Terminate the trader's account if fraudulent activities are identified.

5. Cashback Expiry & Adjustments

5.1. Cashback credits do not expire and remain available for withdrawal at any time.

5.2. If a trader requests account closure, any accumulated cashback will be forfeited.

5.3. If a calculation error or system malfunction occurs, zForex reserves the right to adjust cashback payments accordingly.

5.4. In cases of extraordinary market conditions, zForex may pause or modify the cashback payout structure.

---

6. Amendments & Termination

6.1. zForex reserves the right to modify, extend, or terminate this promotion at any time, with prior notice published on the official website.

6.2. If any changes occur, affected traders will be notified via email or an announcement on the zForex client portal.

6.3. Participation in the cashback program is optional, and traders may opt-out by contacting zForex Customer Support.

---

7. Risk Disclosure

7.1. Trading Forex and CFDs involves a high level of risk and may result in substantial losses.

7.2. Cashback incentives should not be the sole reason for trading decisions; traders are advised to apply proper risk management strategies.
