b. Not applicable for MAM primary and sub-accounts
c. Not applicable for Cent accounts

3. The competition's trading accounts must maintain a minimum net equity of $500 - can be funded via internal transfers or deposits - and have no open positions. Eligible accounts can join the competition anytime.

4. Participation process:
a. Register or log in via the WeTrade client portal/app
b. Ensure your trading account's net equity meets the requirement (minimum $500)
c. Select an existing account or open a new trading account, register for the competition by clicking "Register Now," and register a nickname for participation
d. Registration complete

5. Each client may use up to three competition trading accounts for this competition. You can deposit and withdraw your funds as usual, but it will affect the calculation of the profit rate.

6. If you used more than one account to participate, only one account will be shown on the Leaderboard Top 20 ranking or win a prize.

7. During the live trading competition, clients can copy the trades of the top 20 participants with just one-click, but the participants will not earn from profit-sharing or subscription fees from clients that copy their trades in this competition. Clients can choose to manually close their positions at the end of the competition, or the system will automaticlally close all copy-trade positions.

8. Participants will be ranked based on profit rates, and the top 10 winners will receiving prizes when the competition concluded.

9. If a winner chooses to receive a funded trading account as the prize, the account's maximum loss limit shall be 20% of the initial balance.

10. Profit Rate Formula:
Profit Rate = [(Current Equity Value - Initial Equity Value + Withdrawals - Deposits) / (Initial Equity Value + Deposits)] × 100%
Note: Internal transfers in/out will be recorded as deposits/withdrawals.

11. In the case of a tie in the profit rate, rankings will be determined sequentially based on the number of resets and trading volume.

12. About Resetting Profit Rate:
a. Participants may reset their profit rate during the competition as long as their net balance remains above $500 and has no open positions at that time
b. Upon resetting, the net balance at that time will serve as the new initial net balance
c. No limit on resets
Example:
A participant deposits $1,000 on 7 October 2026 for the competition. After trading, their balance reduces to $300 (profit rate: -70%). They then transfer $200 internally and reset their profit rate, setting the new initial net balance to $500 (profit rate reset to 0%)

13. Weekly Special Reward Terms and Conditions:
a. Each client may only win the same weekly reward twice throughout the competition period
b. Weekly Special Rewards will start from Week 1 (5 - 9 October 2026) to Week 11 (14 - 18 December 2026), for a total of eleven weeks.

c. Weekly USD trading volume is calculated by the total opened and closed trade volumes during the week
d. Weekly profit earnings only calculate closed trades within the specified week
e. Participants with tied trading volume will split the weekly rewards equally
f. Weekly special rewards will be credited to the winner's WeTrade Wallet within two business days. Prizes may be withdrawn, transferred internally to trading accounts, or saved in the WeTrade Wallet for additional Reward Points

14. As the competition ends, WeTrade will review and announce the top 10 winners within 10 business days. Winners will receive their prizes within one month.

15. WeTrade reserves the right to disqualify participants, nullify their results, or revoke their rewards under the following circumstances:
