

Promotion Terms and Conditions

The promotion is valid from May 15, 2025 to August 31, 2026.

The promotion is available only to new clients of the Company who register during the promotion period and leave a review about the Company on thematic resources. Bonus Funds under the Promotion can be received only once, after the review has passed moderation, by entering a promo code in the Client Area. The promotion is not available for the clients from Indonesia.

The promotion applies to Classic MT4, Market Pro MT4, and ECN MT4 accounts with USD or EUR as the account currency, provided they are not participating in other promotions.

The bonus \$50 is reflected in the 'Credit' field and is not available for withdrawal. During the promotion, the financial result of trades (profits and losses) is recorded only in the 'Credit' field and becomes part of the bonus (hereinafter referred to as the Bonus).

The Bonus is valid for 7 calendar days. The client can prolong the Bonus period for additional 7 calendar days by funding the account from external sources with any amount. The number of extensions is unlimited, if the Bonus remains on the account during trading.

Transfer of Bonus to Balance

During 7 days after receiving the Bonus (or after extending its period), the Client may transfer part of the Bonus from the 'Credit' field to the account 'Balance,' including any profit earned:

- **6.1.** Based on the volume of closed trades at a rate of \$2.5 per 1 closed lot, or \$5 per 1 closed lot if the account has been funded with any amount within the last 7 calendar days.
- **6.2.** The calculated amount is deducted from the 'Credit' and credited to the 'Balance' but cannot exceed the current amount of Funds or Bonus on the account.

Example:

The client received \$50 and earned \$50 during 7 days by completing 2 lots. After 7 days, \$5 will be transferred to the Balance.

Cancellation and Withdrawal

Full Bonus cancellation and termination of participation in the promotion occur in the following cases:

- **8.1.** No deposits for extension of the Bonus within 7 consecutive days.
- **8.2.** The full loss of the Bonus in the 'Credit' field due to trading.
- **8.3.** Creating a request to withdraw funds.

For the first withdrawal, the Client should: verify personal information, make a deposit in the amount of the profit to verify payment details, and leave a review.

By participating in the promotion, the Client confirms having carefully read and fully agreed to these terms.
