

USD 5 Credit Bonus Campaign

Terms and Conditions

These Terms and Conditions (the "**Terms**") govern the **USD 5 Credit Bonus Campaign** (the "**Campaign**") offered by CPT Markets Limited, trading as CPT Markets Limited, a company incorporated in Belize under registration number 000034423, with its registered office at New Horizon Building, Ground Floor, 3½ Miles Philip S.W. Goldson Highway, Belama Phase 1, Belize City, Belize, and authorised and regulated by the Financial Services Commission of Belize under licence number 6616058 (the "**Company**"). These Terms shall be read together with the Company's Client Agreement, Terms & Conditions, trading rules and policies (together, the "**Client Terms**"). In the event of any inconsistency between these Terms and the Client Terms in relation to the Campaign, these Terms shall prevail.

Important: This Campaign is available exclusively to clients who meet the eligibility criteria in Clause 2, including the country-of-residence requirement. Participation is subject to verification by the Company.

1. Campaign Period

- 1.1 The Campaign commences on 1 October 2026 and ends on 31 December 2026 at 11:59 p.m. (IST) (the "Campaign Period").

2. Eligibility

- 2.1 The Campaign is available to eligible **new and existing CPT Markets clients resident in India** who meet the requirements set out in these Terms and Conditions.
- 2.2 To be eligible, a client must satisfy all of the following conditions (an "**Eligible Client**"):
(a) the client is a resident of **India**;
(b) the client has successfully **completed the Company's account verification (KYC)** procedures and the account is active and in good standing;
(c) the client is at least **18 years of age**; and
(d) the deposit referred to in Clause 3 is made from a USDT wallet or account that the client is authorised to use, subject to the Company's applicable deposit verification requirements; and
(e) the client holds an eligible live trading account. PAMM, MAM and Demo Accounts are not eligible for this Campaign.
- 2.3 Each Eligible Client may participate in the Campaign once only and receive the Credit Bonus only once during the Campaign Period, regardless of the number of trading accounts held under the same **User ID ("UID")**.
- 2.4 Eligibility and participation will be determined based on the client's UID and its client verification records. Where multiple trading accounts are held under the same UID, they will be treated as belonging to the same client for the purposes of this Campaign.
- 2.5 The Company reserves the right to verify a client's eligibility at any time and may request such information or documentation as it reasonably considers necessary for verification purposes. Where verification cannot be completed, the Company may withhold the Campaign reward pending review and will inform the client of the outcome in accordance with its applicable procedures.

3. Qualifying Deposit

- 3.1 During the Campaign Period, an Eligible Client must make a valid deposit via USDT, being a single deposit of USDT 50 or more, into an eligible live trading account held in the client's own name (the "Qualifying Deposit"). The Company does not verify whether a client has made any deposit via USDT prior to the Campaign Period; eligibility is instead determined in accordance with Clause 2.3.
- 3.2 Multiple deposits cannot be combined or accumulated to meet the minimum deposit requirement of **USDT 50**. For example, two separate deposits of **USDT 25** each will not constitute a Qualifying Deposit.

- 3.3** The following will not constitute or count towards a Qualifying Deposit: internal transfers between trading accounts; deposits made using any payment method other than USDT; Introducing Broker commissions or rebates; any credit, bonus or balance adjustment; deposits made from a USDT wallet or account that does not satisfy Clause 2.2(d); and deposits that are failed, reversed, cancelled or subject to a chargeback.
- 3.4** Once the Qualifying Deposit has been successfully completed and confirmed by the Company's system, the Eligible Client will receive a Credit Bonus in accordance with Clause 4 of these Terms.
- 3.5** Where a client makes a deposit but does not engage in any valid trading activity, the Company's existing **7% fee** rule shall continue to apply. Participation in this Campaign does not exempt the client from the applicable **7% fee**.

4. Issuance of Credit Bonus

- 4.1** An Eligible Client who makes a Qualifying Deposit in accordance with Clause 3 will receive a USD 5 Credit Bonus (the "Credit Bonus").
- 4.2** Once the Qualifying Deposit has been successfully completed and confirmed by the Company's system, the Credit Bonus will be automatically credited to the eligible trading account that received the Qualifying Deposit.
- 4.3** No manual application or request is required for the issuance of the Credit Bonus.

5. Use of Credit Bonus

- 5.1** The Credit Bonus will be credited to the Eligible Client's trading account in the form of Credit. It may be used for trading purposes and may contribute towards the available margin of the trading account.
- 5.2** The Credit Bonus may absorb trading losses in accordance with the applicable trading account conditions.
- 5.3** The Credit Bonus itself is not withdrawable at any time. Once the Eligible Client satisfies the trading volume requirements set out in Clause 6, the Credit Bonus will be removed from the trading account and a separate amount will be credited to the client's trading account as withdrawable Cash Balance, in accordance with Clause 6.5.

6. Trading Requirements and Processing of Credit Bonus

- 6.1** To become entitled to the Cash Balance referred to in Clause 6.5, an Eligible Client must complete a minimum cumulative trading volume of 0.2 Standard Lots by the end of the Campaign Period.
- 6.2** Trades in any trading product available to the Eligible Client may count towards the required trading volume, subject to these Terms.
- 6.3** A trade will only count towards the required trading volume if the position has been held for at least one (1) minute and fully closed by the end of the Campaign Period.
- 6.4** Trading volume will be calculated on a Standard Lot basis. For Cent Accounts, 100 Cent Lots shall be equivalent to 1 Standard Lot for the purposes of this Campaign.
- 6.5** Once the Eligible Client has completed the required **0.2 Standard Lots** of qualifying trading volume during the Campaign Period and this has been confirmed by the Company, the **Credit Bonus will be removed from the trading account and an amount of USD 5 will be credited to the client's trading account as withdrawable**. Verification of qualifying trading volume and crediting of the **USD 5 Credit Bonus** may take place after the Campaign Period, provided that the Eligible Client completed the qualifying trades by the end of the Campaign Period.
- 6.6** During the initial phase of the Campaign, the process described in Clause 6.5 may require the Eligible Client to submit a request through the Company's designated channel, and will be completed manually by the Company. The Company will notify Eligible Clients via the Campaign landing page if and when this process becomes fully automated.

7. Withdrawal and Removal of Credit Bonus

- 7.1** The Credit Bonus is not withdrawable. Once the Credit Bonus has been removed and the Cash Balance credited in accordance with Clause 6.5, the Cash Balance may be withdrawn in accordance with the Company's applicable withdrawal procedures.
- 7.2** The Company reserves the right to withhold, cancel or remove the Credit Bonus where the client is found to be ineligible for the Campaign or has engaged in abusive, fraudulent or other prohibited activity in connection with the Campaign, subject to these Terms.
- 7.3** Where a trading account is closed, suspended or otherwise becomes ineligible before the Cash Balance has been credited in accordance with Clause 6.5, any remaining Credit Bonus may be removed from the trading account.

8. Combination with Other Promotions

- 8.1** The Campaign cannot be combined with any other promotion, bonus or incentive offered by the Company, unless otherwise expressly stated by the Company.
- 8.2** Where an Eligible Client qualifies for more than one promotion in connection with the same deposit, the client will not be entitled to receive multiple promotional bonuses in respect of the same deposit.

9. Prohibited Conduct

- 9.1** Any trading activity that breaches the Company's Trading Activity Guidelines (Abnormal Trading Behaviour Definition and Handling Policy), the Client Terms or any other rules of the Company, or that is otherwise determined by the Company to be abusive, shall render the client ineligible for the Campaign. Without limitation, the following shall constitute prohibited conduct:
- (a) improper use of credit provided by the Company, or abnormal or non-compliant trading using high leverage around major economic data releases, including but not limited to CPI, Non-Farm Payrolls and central bank interest rate decisions;
 - (b) churning, including the repeated opening and closing, or simultaneous opening and closing, of trading positions within a short period of time for the purpose of artificially generating trading volume or improperly benefiting from the Campaign;
 - (c) latency arbitrage, or any trading that exploits system delays, quotation errors or abnormal prices;
 - (d) the opening or use of multiple accounts, identities, devices or payment methods, whether directly or through third parties, in order to obtain the Credit Bonus more than once;
 - (e) hedging positions across accounts held by the same client or in coordination with other clients; and
 - (f) any activity determined by the Company to constitute market manipulation, price manipulation or arbitrage.
- 9.2** Where the Company determines, acting reasonably and on the basis of available evidence, that a client has engaged in prohibited conduct or has otherwise breached these Terms or the Client Terms, the Company may, without prior notice, disqualify the client from the Campaign, refuse, cancel or recover the Credit Bonus or any Cash Balance credited under Clause 6.5, cancel any profits derived from the Credit Bonus or such Cash Balance, reverse related transactions, cancel related Introducing Broker commissions, and take any other action available to it under the Client Terms.

10. Company Rights

- 10.1 All Campaign data, including but not limited to deposit amounts, trading volume and account activity, shall be determined by reference to the records of the Company's back office systems, which shall be final and conclusive save in the case of manifest error.
- 10.2 The Company reserves the right to amend, suspend or terminate the Campaign, or any part of these Terms, at any time where it considers this necessary, including for legal, regulatory, operational or risk management reasons. Any amendment will be published on the website and/or the Campaign landing page. Where the Campaign is suspended or terminated, the Company may cancel or remove any unused Credit Bonus issued under the Campaign and cease issuing any further Campaign rewards, to the extent reasonably necessary for the reason giving rise to the suspension or termination and subject to applicable law.
- 10.3 Any matter not expressly provided for in these Terms shall be determined by the Company. The Company's interpretation of these Terms shall be final.

11. General

- 11.1 Participation in the Campaign is subject to these Terms and the Client Terms. Clients should read these Terms before participating in the Campaign. By making a Qualifying Deposit, the client confirms that the client has read, understood and agreed to be bound by these Terms and the Client Terms.
- 11.2 The client is solely responsible for any taxes arising in connection with the Credit Bonus or any trading activity using the Credit Bonus.
- 11.3 Personal data collected in connection with the Campaign will be processed in accordance with the Company's Privacy Policy, for the purposes of administering the Campaign, verifying eligibility and preventing fraud.
- 11.4 These Terms are issued in English. Where these Terms are translated into any other language, the English version shall prevail in the event of any inconsistency.
- 11.5 Participation in the Campaign is subject to applicable law. The Company may refuse or discontinue a client's participation where it reasonably determines that participation or the provision of the relevant trading services is prohibited by applicable law or regulation.

Risk Warning: Foreign exchange and contracts for difference (CFDs) are complex instruments traded on margin and carry a high degree of risk to your capital. The provision of trading credit does not reduce this risk. Trading may not be suitable for all investors. Please ensure that you fully understand the risks involved and seek independent advice where necessary.
