

Tradin – \$50 Welcome Bonus

Terms & Conditions

1. Introduction

1.1 These Terms & Conditions (“Bonus Terms”) govern the \$50 Welcome Bonus (“Bonus”) offered by Tradin Ltd and Trading Global Ltd (together, the “Company”) to eligible clients.

1.2 By registering for an account and participating in this promotion, the client (“Client”, “you”) confirms that they have read, understood, and agreed to be bound by these Terms and Conditions.

1.3 The Bonus is a **promotional trading credit** only. It is not a deposit, is **non-withdrawable**, and is intended solely to provide additional margin for trading.

1.4 The Company reserves the right to amend, suspend, or terminate this promotion at any time at its sole discretion, for all or specific clients, without prior consent. Where reasonably possible, the Company will publish such changes on its website and/or client portal.

2. Eligibility

2.1 The \$50 Welcome Bonus is available only to clients who:

- (a) Successfully complete registration and profile information;
- (b) Verify both **email** and **mobile phone number**;
- (c) Complete and pass full **KYC/identity verification** as required by the Company
- (d) Open a new live MT5 trading account with Tradin.

2.2 **No deposit is required** to receive this Bonus.

2.3 The Bonus is limited to **one (1) account per client**. The Company may use, among other things, name, email, phone number, IP address, device ID, payment details and other KYC information to detect duplicate or related accounts.

3. Bonus Credit – How It Works

3.1 Eligible clients will receive a **\$50 trading credit** (“Bonus Credit”) in their MT5 account once all eligibility steps in Clause 2 are completed.

3.2 The \$50 Bonus Credit:

- (a) Is credited as **non-withdrawable trading credit**;
- (b) May be used as **additional margin** to open and maintain positions;

- (c) **Cannot** be withdrawn or transferred;
- (d) Will be removed in the circumstances described in these Bonus Terms.

3.3 The Bonus Credit is applied only **once per client** and will **not be reissued** if removed, cancelled, or lost for any reason (including, but not limited to, stop-out, withdrawals, or abuse).

3.4 If the account equity (including Bonus Credit) reaches **\$0**, the Bonus Credit is automatically removed and will **not be recredited**.

4. Profit Withdrawal Conditions

4.1 Profits generated from trading using the Bonus Credit **may be withdrawn**, subject to all of the following conditions being met:

- (a) The account has been active for at least **7 calendar days** from the date the Bonus Credit was applied;
- (b) The client has completed a minimum of **5 standard lots** of total trading volume (closed trades), across eligible instruments; and

4.2 For the purpose of these Terms, “**5 standard lots**” refers to a cumulative trading volume of **5.00 lots** based on standard contract sizes as defined in the trading platform’s symbol specifications, regardless of profit or loss.

4.3 Only trades executed on FX, Metals, and Futures instruments are counted towards the required trading volume for this promotion. Trades on other asset classes (e.g. crypto, cash indices, cash energies or any non-eligible instruments) do not count toward the 5-lot requirement.

4.4 **The Bonus amount itself (\$50) is non-withdrawable.** Once you qualify for withdrawal of profits, you may withdraw only the **equity in excess of the \$50 Bonus Credit**.

4.5 **Withdrawals before completing the requirements** in Clause 4.1 will result in:

- (a) **Full removal of the Bonus Credit**; and
- (b) **Forfeiture of all profits** generated in the account up to that point.

Only any remaining real funds (if you have deposited later) may be withdrawn in such a case.

4.6 When a withdrawal of profits is successfully processed after all requirements are met, the **Bonus Credit will be removed** from the account and will not be reissued.

5. Withdrawals, Transfers & Restrictions

5.1 The first eligible withdrawal of profits from this promotion can only be processed **after** all conditions in Clause 4.1 are satisfied.

5.2 Any withdrawal request, internal transfer, or fund movement that occurs **before** the requirements in Clause 4.1 are met will automatically trigger removal of the Bonus Credit and forfeiture of any profits, as described in Clause 4.4.

5.4 This Bonus **cannot be combined** with any other:

- Cashback scheme,
- Rebate program,
- Volume-based reward or loyalty program,
- Or any other promotion the Company may run, unless the Company explicitly confirms compatibility in writing.

6. Stop-Out and Bonus Removal

6.1 If the account experiences a **stop-out** or the equity reaches **\$0**, the \$50 Bonus Credit will be automatically removed and:

- (a) Will **not** be reissued; and
- (b) Any remaining negative balance will be handled according to the Company's standard negative balance policy.
- (c) If your account is stopped out, you permanently forfeit the bonus and any remaining balance in the account, including profits generated from trading with the bonus.

7. Prohibited & Abusive Trading Strategies

7.1 The Bonus is intended for **normal trading activity**. The Company strictly prohibits any attempt to exploit the Bonus through abusive, unfair, or risk-free trading strategies, including but not limited to:

- (a) **Latency arbitrage** or quote manipulation,

- (c) **Hedging between accounts or brokers** (for example, opening opposite positions in two or more accounts to generate risk-free gains),
- (d) **News trading exploitation**, such as systematically opening and closing positions within milliseconds around major news events solely to exploit price gaps or delays,
- (e) Any other **risk-free profit extraction strategy**, pattern, or behavior that the Company, at its sole discretion, considers abusive or inconsistent with fair trading.

7.2 The Company also reserves the right to consider as abuse any behavior including, but not limited to:

- Coordinated trading between multiple accounts;
- Multiple registrations by the same person;
- Misrepresentation of identity or KYC information;
- Use of VPS/IP configurations to mask linked accounts or circumvent promotion limits.

7.3 In the event of suspected abuse or breach of these Bonus Terms, the Company may, at its sole discretion:

- (a) Remove the Bonus Credit;
- (b) **Cancel or remove profits** generated from the Bonus;
- (c) Adjust or void trades;

9.3 By participating in this promotion, you acknowledge that you have read and understood the Company's full **Risk Disclosure** and **Client Agreement**, and that you trade entirely at your own risk.
